

Siskiyou Blackberry

Rubus sp.

Very large fruit.
Excellent flavor. Fruit is firm. Berries are for the fresh market, pick-your-own operations and for processing. Plants have outstanding vigor, disease resistance and winter tolerance. Similar in vigor to 'Marion' but more tolerant to environmental stress.

Ripens: very early,
Late June

Cold hardy to
U.S.D.A. Zone 8,
maybe 7 or lower.

Since 1944
