

Top Hat Blueberry

Vaccinium corymbosum × *V. angustifolium*

This dwarf cultivar only grows 1 to 2 feet high and wide and is perfect for defined border plantings or growing in patio containers or even as bonsai.

Pea sized berries are big on flavor. Cross bred with the best of the wild blueberries of Maine and Nova Scotia providing the powerful flavor everyone seeks.

Profuse white spring blooms.

Self Fertile.

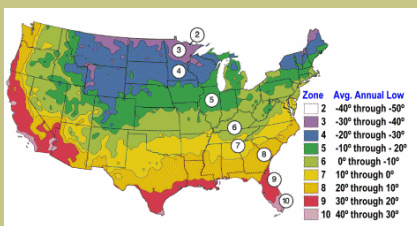

Ripens: Mid Season

Requires 1000-1200 hours chilling below 45° F

Cold hardy to U.S.D.A. Zone 3.
