

Okame Flowering Cherry

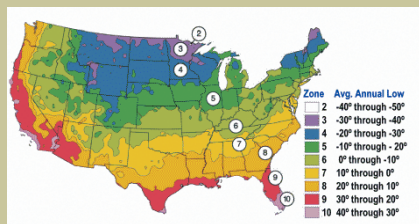

Prunus 'Okame'

One of the most striking and desired flowering cherries. An upright branching, oval shaped tree. Foliage is a finely textured attractive dark green, changing to shades of yellow-orange to orange-red in the fall. When in bloom, it is covered with a profuse display of clear pink flowers. The tree blooms early, but long.

Does well in mild winter areas.

Grows to a height of 25 feet and spread of 20 feet.

Cold Hardy to U.S.D.A. Zone 5.

Since 1944
