

Robinson Flowering Crabapple

Malus 'Robinson'

Beautiful deep red buds that open to a single pink flower.

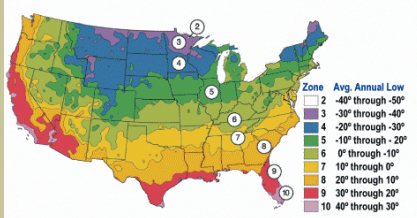

The dark red fruit is 3/8"-1/2", remaining on the tree for an extended period of time.

The foliage is copper-tinged on the bottom and green on top.

Tree is upright, spreading and rounded.

Mature height is 20 feet with a spread of 20 feet.

Cold hardy to U.S.D.A. Zone 4.
