

Purple Pony[®] Flowering Plum

Prunus cerasifera 'Purple Pony'

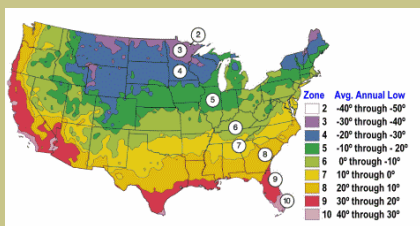

This flowering plum is a compact smaller grower, with a beautiful shell pink blossoms in the spring, followed by vibrant purple foliage.

The Purple Pony has the most outstanding color of all purple leaf plums. Leaves do not fade in color from spring until leaves drop in fall.

Observed since 1962 and believed to be sterile (fruitless = no mess).

Mature height is 10-12 feet with a spread of 10-12 feet.

Cold hardy to U.S.D.A. Zone 5.

September Foliage Color

Since 1944
