

Granny Smith Apple

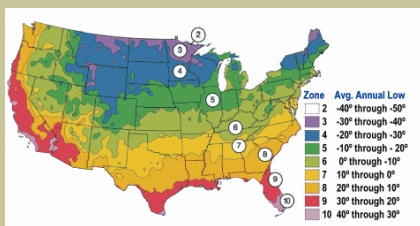

Malus sp.

Large. Skin is a bright green which is retained long after harvest. Flesh is firm, sweet.

Good for eating, cooking, and sauce. Grows well in cold climates if there is an adequate length of season.

Requires 400 hours of chill below 45°F. Ripens in Mid-August to Mid-October.

Cold Hardy to U.S.D.A. Zone 6.

Since 1944
