

Mollie's Delicious Apple

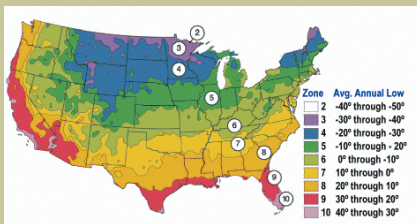

Malus sp.

Very large round fruit. Yellow skin covered with attractive red blush. Firm, sweet, juicy, light yellow flesh with pleasant flavor. Good aroma. Excellent quality. Red Delicious type. Bears at an early age. Stores well for commercial use. Well adapted to mild winter areas. A pollinizer recommended such as Fuji, Granny Smith or Beverly Hills.

Requires 400 hours chilling below 45°F.

Ripens: Late July

Cold hardy to U.S.D.A. Zone 6.
