

Venus Grape

Vitis vinifera cross

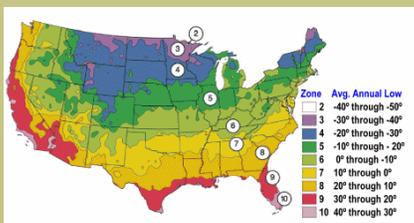

A large, blue-black seedless grape.

Flavor is wonderful sweet fruitiness with a suggestion of Muscat. Excellent for wine, juice and as a table grape. Has thicker skin making it a desired grape vine for more humid summer areas.

Very vigorous and good productivity. Spur pruning. Self fertile.

Ripens: August, three weeks before Concord.

Cold hardy to U.S.D.A. Zone 7.

Since 1944
