

Fire Dragon[®] Shantung Maple

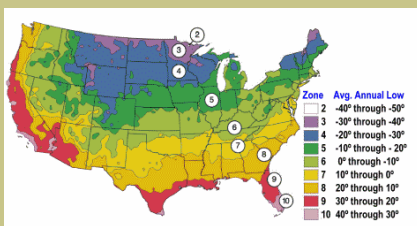

Acer truncatum "Fire Dragon"

Fire Dragon[®] Maple delivers vivid reds and dazzling scarlets rarely seen in the Midwest or lower-Midwest landscapes in autumn. It promises to provide the desirable New England type fall color for many hotter areas of the country.

Orange-red new growth turns to lustrous green during the summer.

A tough, hardy and well-behaved mid-size maple. 15-25' high x 20-30' tall.

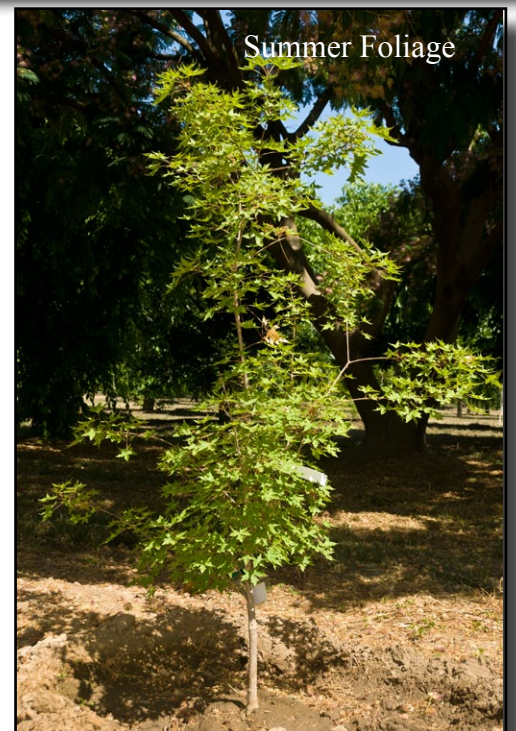

Cold hardy to U.S.D.A. Zone 5 (some say 4).
