

# Katherine Havemeyer Lilac

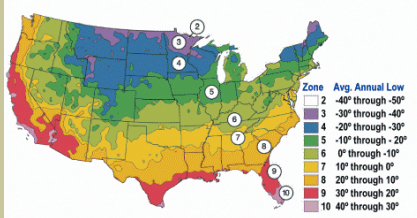

## French Hybrid Lilac

*Syringa vulgaris* ×

One of the best French Hybrid Lilacs. Large, lavender-purple, double buds have very tight panicles opening to a soft lilac pink. The individual florets have wide petals which are twisted and irregular giving a slightly double effect. Abundant blossoms on a small to medium shrub. Blooms in mid-spring.

Mature height is 10 feet with a spread of 6-8 feet.

Cold hardy to U.S.D.A. Zone 3.

Since 1944
