

Leon Gambetta French Hybrid Lilac

Syringa vulgaris

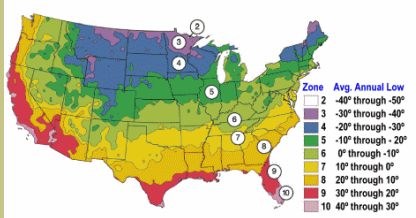

An excellent, showy lilac. Considered by many as one of the best introductions from Victor Lemoine's breeding program.

Lavender pink buds open into double, cotton candy lilac-pink blooms.

Introduced in 1907

Mature height is 8-10 feet with a spread of 6-7 feet.

Cold hardy to U.S.D.A. Zone 3.

Since 1944

From the nurseries of
