

Darrow Blueberry

Vaccinium corymbosum ×

One of the largest blueberries (57/cup) with some reaching half dollar size! Light blue color, aromatic and highly flavored with a mildly tart taste, depending on maturity.

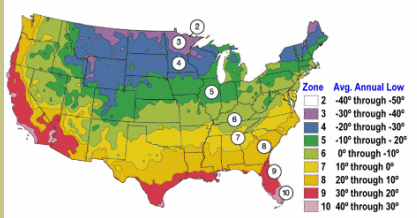

Vigorous growth. Orange fall color. More productive in less cold areas.

Requires 850-1000 hours of chilling below 45° F.

Ripens: Mid to Late season

Grows Upright to 5-6 feet.

Cold hardy to
U.S.D.A. Zone 5.

Since 1944
