

Camarosa Strawberry

Fragaria sp.

An early season, short day variety.

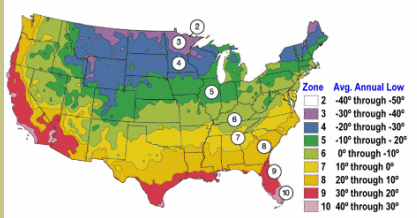

Fruit is larger and firmer than Chandler. Very flat conic, productive with good appearance. Very firm, has good flavor.

It is widely adapted to producing fruit over an extended period at low latitudes.

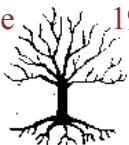

Good for fresh markets and processing.

Grow 6-8 inches tall, spreading by runners.

Cold hardy to
U.S.D.A. Zone 5
(some say 4).

Since 1944
