

Criterion Apple

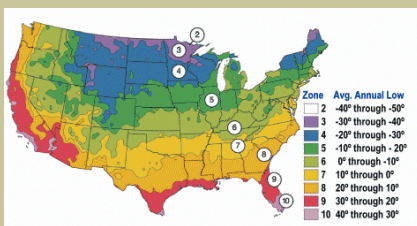

Malus sp.

Greenish-yellow apple with a red blush. The flesh is crisp, firm, and juicy. It has a taste that is mild and sweet, with a touch of tartness. Good aroma. Also known as the “Candy” apple. Has the distinctive shape of a Red Delicious. Genetically it is crossed with Red Delicious, Yellow Delicious, and Winter Banana. Was discovered in eastern Washington State.

Ripens: Mid October

Requires 1000 hours of chill below 45 °F..

Cold hardy to U.S.D.A. Zone 5.
