

Italian Everbearing Fig

Ficus carica

Large fruit. Reddish-brown skin. Flesh is whitish-strawberry color with a sweet, mild flavor.

Fruit very similar to Brown Turkey.

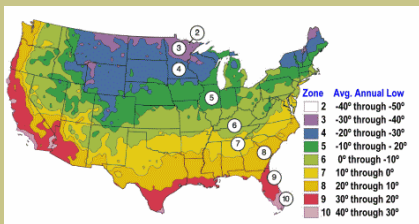

Very prolific bearing.

Trees will handle moderately cold winters if warm summers.

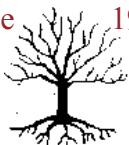

Grows like a large bush.

Mature height is 12-15 feet with a spread of 12-15 feet.

Cold hardy to U.S.D.A. Zone 7.

Since 1944
