

Robert Livermore Walnut

Juglans regia sp.

Distinctive and unique dark red color to the coat of walnut meat makes this walnut ideal for use with gourmet foods in restaurants and retail sales.

In all other respects this walnut is similar to Chandler, harvesting a week earlier. From U.C. Davis

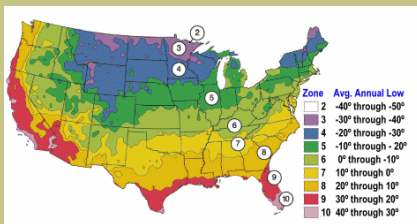

Self Fertile

Requires approximately 900 hours chilling under 45° F.

Mature height is 40 feet with a spread of 35-40 feet.

Cold hardy to U.S.D.A. Zone 8.
