

Chinese Fringe Tree

Chionanthus retusus

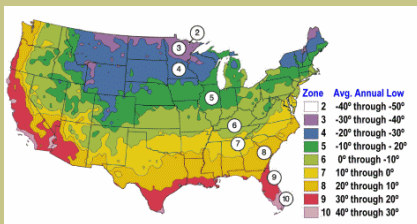

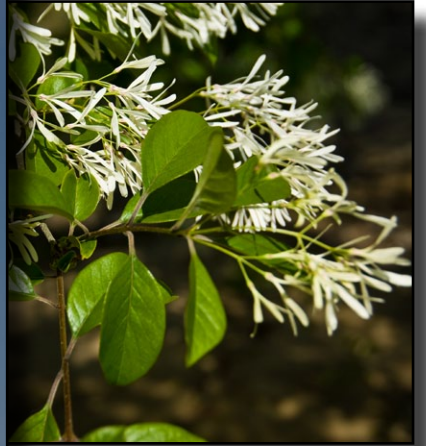

Like fleecy snow, magnificent clusters of white fringe-like flowers adorn this tree as early as late May or June depending upon climate area. Reminiscent of a tremendous white lilac.

Soft green leaves are 2-4" long.

Upright branches form a dome shape.

Mature height is 15-20 feet with a spread of 20-25 feet.

Cold hardy to U.S.D.A. Zone 5.

Since 1944
