

Chinese Flame Tree

Koelreuteria bipinnata

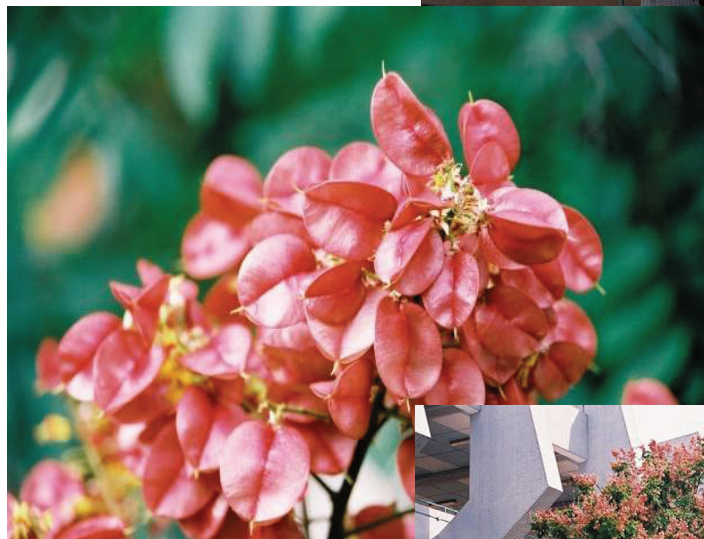

Exquisite tree in all seasons. Adorned with yellow summer flowers and bright red, orange and salmon-hued papery seed capsules from late summer to fall. One to two foot long leaves divided into shiny green leaflets. Tolerates any well drained soil, non-invasive roots.

Mature height is 20-40 feet with a spread of 20-40 feet.

Cold hardy to
U.S.D.A. Zone 9.
