

# Triumph™ Elm

*Ulmus 'Morton Glossy'*

Strong, upright branching and a medium texture make Triumph easy to train and very attractive as a young tree. Excellent shade tree for home and commercial landscapes. As the tree matures, softly arching branches are perfect for parkway and municipal plantings. Excellent disease and pest resistance along with good drought tolerance.

20 year size 30 feet tall by 15 feet wide. Mature height reaching 50-60 feet high, 40-50 feet wide.

Cold hardy to U.S.D.A. Zone 4

Since 1944
