

President Grevy Lilac

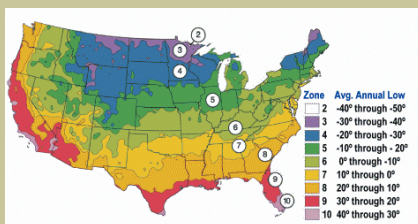

French Hybrid Lilac

Syringa vulgaris ×

A large growing shrub with big, heart shaped, rich green leaves. Profuse, very fragrant, large tapering clusters of lavender buds that open to blue, double florets in mid spring. Recommended in its color class. Hardy. Mid season bloomer.

Mature height is 12 feet with a spread of 6-8 feet.

Cold hardy to U.S.D.A. Zone 3.

Since 1944
